

Enjoy the culinary highlights of India in urban atmosphere. Indian chefs spoil your taste buds with dishes as they are cooked in their home country. The preparation of the meals in the Tandoor oven is unique.

For up to 120 people Indian specialities can be delivered where, when and how you choose. All the dishes are also available as take away, freshly prepared and packed.

For an exclusive event within the walls of the Khan's a separate room in the same Indian design is at your disposal.
